FOUNDATION COURSE SCHEME PROVISIONS

Project Objective

The objective of the Foundation Course for Academic Excellence is to identify and nurture talented students from Economically Weaker Sections of society at an early stage and strengthen their academic foundations in Mathematics and Science through quality coaching by reputed institutions.

The programme seeks to enhance conceptual understanding, analytical thinking and problem-solving abilities among students and prepare them for future competitive examinations such as JEE, NEET and other professional entrance examinations.

For the Academic Session 2026-27, selected students shall be provided Foundation Coaching on a Day Scholar Basis through reputed coaching institutions empanelled by WCL.

Selected students shall be provided with:

- a. Foundation Coaching in Mathematics and Science.
- b. Academic study material, tests and periodic assessments.
- c. Mentoring and academic guidance by experienced faculty.
- d. Monthly stipend of Rs. 500/- per student during the approved duration of the programme.

Target Beneficiaries

The programme shall focus on identifying meritorious students from Economically Weaker Sections of society whose parents'/guardians' annual income is less than Rs. 8 Lakhs per annum and who demonstrate academic potential but lack access to quality coaching facilities.

Eligibility under the scheme shall be restricted to students presently studying in Class X during Academic Session 2026-27 in Government Schools, Government-Aided Schools and Nagpur Municipal Corporation (NMC) Schools located within Nagpur District.

Applicants must have secured:

- Minimum 75% aggregate marks in Class IX Annual Examination; and
- Minimum 75 marks each in Mathematics and Science.

Wards of WCL employees shall not be eligible under the scheme.

Selection Methodology

Enrollment Forms shall be circulated to eligible Government Schools, Government-Aided Schools and Nagpur Municipal Corporation (NMC) Schools in Nagpur District.

An Assessment Test shall be conducted for all eligible enrolled students.

The Assessment Test shall be in Multiple Choice Questions (MCQ) format and shall be based on the syllabus already covered by students in Classes VIII and IX, with emphasis on Mathematics and Science subjects.

The examination pattern, schedule and qualifying criteria shall be notified separately by WCL.

A final merit list shall be prepared based on:

- Performance in the Assessment Test; and
- Fulfillment of the prescribed eligibility criteria.

The decision of WCL regarding conduct of examination and selection of students shall be final and binding.

Expected Outcomes

Students will receive access to quality academic support and foundation coaching at an early stage of their educational journey.

The programme is expected to strengthen conceptual understanding in Mathematics and Science, improve academic performance, enhance analytical and problem-solving abilities and encourage students to pursue higher education and competitive examinations.

The initiative will help bridge educational gaps by providing deserving students from economically weaker backgrounds with access to quality learning opportunities and academic mentoring.

Important Disclaimer

Enrollment under the Foundation Course does not guarantee admission to Project TARASH or any other coaching programme of WCL. Students undergoing the Foundation Course shall be required to independently satisfy all eligibility conditions prescribed under the TARASH Scheme and appear in the prescribed TARASH Selection Examination after completion of Class X.

Admission to TARASH, if any, shall be governed solely by the prevailing TARASH Notification, Rules and Selection Criteria applicable at that time.
