NOTICE

Sub: Compliance with preventive measures for control of coal dust pollution during transportation of coal by railway wagons.

Ref: Letter No. C/T/80/WCL/Coal Movements dated 03.09.2026, received from Sr. DOM/SC Railway, Secunderabad.

It has been brought to the notice of WCL by the Railway authorities (with reference to 1. Letter from Environment engineer of Telangana Pollution Control Board, Regional Office, Medchal, Dated 04.07.2026. 2. Letter from CCM/FS, Lr No. C.473/RD/Court case W.P. No. 26202 Of 2026/2026-27, Dated 25.08.2026) that, in compliance with the directions of the Hon'ble High Court of the State of Telangana and the requirements of the Telangana Pollution Control Board (TGPCB), necessary preventive measures are required to be implemented to control coal dust pollution during transportation of coal by railway wagons.

In view of the above, **all WCL consumers are hereby directed to ensure proper covering of coal-loaded wagons with suitable wagon covers/tarpaulins or other approved covering arrangements before dispatch of every rake.** The covering shall be adequately secured and shall properly cover wagons to prevent the dispersion of coal dust during transportation, particularly in the case of fine, dry or highly dusty coal in consultation with respective railway authorities to ensure all applicable norms of it.

All consumers shall ensure strict compliance with the above instructions at their respective loading points/sidings before every dispatch of coal-loaded rakes within the prescribed rake loading timeline given by railways. Any lapse in this regard shall be viewed seriously.

All concerned consumers are therefore advised to take necessary action accordingly and ensure compliance **before every dispatch of coal-loaded rakes.**

This issues for strict compliance.
